**ORDER TO PROVIDE STATUS REPORT**

10 Plaintiffs,

11 v.

12 EMCORE CORPORATION, et al.,

13 Defendants.  
14 \_\_\_\_\_/

15 This action has been stayed pending final decision on ITC proceedings since March 17, 2009.  
16 In January, 2012, the parties reported to this Court that, barring petition to the Supreme Court, the ITC  
17 action would become final, and the stay thus could be lifted, on February 14, 2012. The parties stated  
18 that they would “update the Court with an additional joint status report by February 15, 2012.”

19 No such report has been filed as yet. Accordingly, the parties are ORDERED to file with the  
20 court, no later than February 27, 2012, a joint Status Report, describing the current status of the ITC  
21 proceedings and whether, at this time, the stay can be lifted.

22 **IT IS SO ORDERED.**
